

## chinas capital account liberalization and choice of exchange rate regime

Sat, 02 Feb 2019 18:42:00 GMT chinas capital account liberalization and pdf - There has been a great deal of anxiety about the motivations behind China's going out policy and its possible international consequences. Many view it as an expression of China's international ambition and a strategy that threatens the existing international order; however, that is not the whole story. An equally important but often less ...
