cpr choice processing and resolution

CPR is the first self-help plan developed by a professional therapist that helps women process the inevitable sadness they feel about a voluntary pregnancy termination or "vpt". ARIN's Resource Store - Webconnex - If you're not completely confident, attempt hands-only CPR instead. Adults Place the heel of your hand on the centre of the person's chest, then place the other hand on top and press down by 5 to 6cm (2 to 2.5 inches) at a steady rate of 100 to 120 compressions a minute. First aid - CPR - NHS -
