of this volume is to examine current approaches to sound change from a variety of theoretical and methodological

perspectives, including articulatory variation and modeling, speech Sun, 23 Dec 2018 00:18:00 GMT The Initiation of Sound Change: Perception,

production ... - More simply, sound change might be described as any particular change in the sound system of a language over a period of time. "The drama of linguistic change," said English lexicographer and philologist Henry C. Wyld, "is enacted not in manuscripts or in inscriptions, but in the mouths and minds of men" (A Short History of English , 1927). Fri, 14 Dec 2018 22:04:00 GMT
